

INFORMATION COOKIES:

Cookies are small data files that allow the web server to store on the client (browser) information to be reused during the same visit of the site (session cookies) or later, even after several days (persistent cookies).

Visiting a website, cookies may be received both from the visited website and websites managed by other organizations (third parties).

This site uses cookies. The used cookies may be of different types, according to the purposes of utilization.

TECHNICAL COOKIES:

This type of cookies are necessary and allow the proper functioning of some sections of the website. Therefore, they are used and sent, unless the user deactivate them, as explained in the procedure below. In general, the deactivation of one or more cookies may affect the proper functioning of one or more pages of the website.

PROFILING COOKIES

These cookies are necessary to create user profiles in order to send advertising messages, according to the preferences expressed by the user, within the pages of the website. This website does not use this kind of cookies.

THIRD PARTIES COOKIES

The site may use third parties cookies to create an interaction with multimedia technology offered on the web by other companies, such as: Google, You Tube, Facebook, Twitter, LinkedIn. See their websites for the respective information and for their management of cookies.

GOOGLE ANALYTICS

The website uses Google Analytics, a service of web data analysis provided by Google Inc. Google Analytics uses cookies. For further information, please see the following link:

- <https://www.google.it/policies/privacy/partners/>

To deactivate Google Analytics, please see the following link:
